

*Char Janeczko-King, Board Member*

*Char Janeczko-King is a patriot who appreciates our service men and women and meeting others involved in honoring them with trees from home. Perhaps it is the attention to detail carried over from her career as a dentist but she particularly enjoys crafting the small trees and sharing time with others who also wish to honor our troops. While she did not serve in the military she has a long family history of military service and an understanding of the sacrifices made every day by our military personnel. Especially at the holidays.*

*Char and her husband are residents of Wisconsin's north woods and enjoy their time spent outdoors.*
