

*Linda Even, Treasurer*

*Every good organization needs a good accountant and Trees From Home has a great one. Linda Even is not only a CPA but she has decades of experience in the banking industry, accounting and accounting department management. Plus, in addition to her private industry experience she has significant involvement with other non-profit organizations and has served on multiple non-profit boards.*

*Enjoying a busy retirement to Linda includes traveling the world with her husband Scott, and a recent hiking trip to Machu Pichhu in Peru. She is an avid curler, biker and appreciates the many local cultural events around her home near Milwaukee Wisconsin.*

*Linda Even is the descendent of US veterans being the daughter and the granddaughter of Navy men spanning WWI and WWII. She brings an appreciation for our active military as well as our veterans as she has a long family history of service to both.*

*We are glad to have Linda Even informing our organization with her expertise.*
